I'll be there. Found out fairly last minute too.

Bryce told me it's not a formal groundbreaking, but a chance for the electeds to speak when their calendars aligned.

Are you both attending this? We just found out about this, literally. Not sure we are going to make it. We have other commitments at this same time.

MyFig Groundbreaking Ceremony

MyFig.png

When: Monday, Oct 24, 2016 3:30 pm - 4:30 pm.

Where: Northeast Corner 11th/Fig.

Join Councilmember Huizar alongside Council District 9 Councilmember Current Price as we kick off construction of the MyFiguroa Streetscape Project on Figueroa and 11th Streets. This transformative project will add new buffered bicycle lanes, cycle tracks, extended pedestrian sidewalks, dedicated bus lanes and enhanced transit stops along one of Los Angeles' most high-impact thoroughfares. The project area includes a four-mile stretch connecting the South Park neighborhood in Downtown Los Angeles to USC and South LA along the Figueroa Corridor. Come celebrate the official groundbreaking of the City's most extensive Complete Streets project yet!
